Re: *United States v. Miguel Angel Martinez*, 19 Cr. 681 (NRB)

Dear Judge Buchwald:

Due to the ongoing public health crisis, the Court adjourned a status conference scheduled for March 19, 2020, until May 12, 2020. For substantially the same reason, including that the Government and Federal Defenders are continuing to work remotely, the parties write jointly to request an additional adjournment of approximately 60 days of the status conference presently scheduled for May 12, 2020. There has been no change to the status of the case, and the parties anticipate that it will be possible to reach a disposition when some in-person operations resume.

Should the Court grant the parties' joint adjournment request, the Government moves that time be excluded under the Speedy Trial Act, 18 U.S.C. § 3161, from May 12, 2020 until the date of rescheduled status conference, to allow for the defendant to continue to review discovery and for the parties to continue discussing a pretrial disposition. Defense counsel consents to the exclusion of time.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney
